

NCFE Level 2 Award in Reflective Practice (RQF)

Overview

This Level 2 Award in Reflective Practice qualification is designed to enable learners to evaluate their own learning, as well as understanding the benefits of working with others and self-evaluation. The Level 2 Award in Reflective Practice explores the principles and techniques of reflective thinking. This qualification provides the skills to critically assess experiences, extract valuable lessons, and apply them effectively to future situations. This qualification allows learners to reflect upon their learning. This Level 2 award is accredited by UK OfQual and delivered 100% online.

Scope of this Qualification

This qualification is ideal for individuals looking to develop self-awareness and improve their ability to evaluate learning experiences. It is beneficial for professionals in education, healthcare, social care, and customer service roles, helping them enhance their problem-solving and continuous professional development skills. The qualification also supports students and trainees in developing critical thinking and self-assessment abilities, preparing them for further study or career progression in teaching, counselling, coaching, and other reflective practice-based professions.

Duration and Delivery

This Level 2 Award in Reflective Practice course is designed to be completed online at the pace that suits you. We provide a fast-track completion option for this course whereby it can take as little as one week or up to four weeks to complete the course, depending on your previous experience and dedication to the course. The qualification is delivered through our virtual learning environment (VLE) with complete online tutor support.
